ACCESS IN TOP 100

San Diego, CA, April 6, 2009 – **ACCESS** Destination Services was recently recognized as among the Top 100 Woman Owned Businesses in California, coming in at number 48 by DiversityBusiness.com, the nation's leading multicultural business internet site. Nationally, **ACCESS** ranked among the Top 500. This is the second time that **ACCESS** has been included among the top companies in both categories. The winning companies will be honored at a special awards ceremony at the "9th Annual Multicultural Business Conference", taking place in April in Orlando, Florida.

The companies listed on the Top 100 list represent the state's top woman owned businesses, based on annual revenues. Top 100 members are sought after by major corporations wishing to increase diversity spending with woman owned businesses. Small and diversity owned businesses contribute over \$1.4 trillion in sales to the U.S. economy.

ACCESS CEO, Chris Lee, DMCP, states, "It is truly an honor to be recognized among the top woman owned businesses in the country." **ACCESS** Partner, Candace Bisconte, DMCP, added, "Our affiliation with other diversity owned businesses promotes idea exchanges that help us to grow our company and to continually keep in touch with the needs of our customers."

Since 1970, **ACCESS** Destination Services has provided the highest caliber of full-service, professional destination management and event production services in the West, including Anaheim/Orange County, Las Vegas, Los Angeles, Palm Springs and San Diego.
