### **ACCESS DESTINATION SERVICES FEATURED AS "TOP 25 DMC" FOR 7<sup>TH</sup> CONSECUTIVE YEAR**

San Diego, CA, April 4, 2011 – For the seventh consecutive year, **ACCESS** Destination Services was named one of the Top 25 Destination Management Companies worldwide by *Special Events Magazine*, the "official and premier magazine of the special events industry in North America," according to the International Special Events Society (ISES.) DMCs were selected for this prestigious list

based on number of events handled per year, annual revenue from DMC services, overall capabilities and noteworthy events. **ACCESS** is one of the only DMCS having the distinction of appearing on the Top 25 DMCs list every year since its inception in 2004.

This past year, **ACCESS** produced over 1,200 events for a wide range of corporate, incentive and association clients. Program highlights included closing a public street in San Francisco's Chinatown for a private event, a fete that had only been accomplished once before and an urban street fair on two separate rooftop decks where décor components were specially "re-sized" to fit limited-capacity elevators.

**ACCESS** CEO Christopher Lee, DMCP, said, "We are honored to be named once again as a 'Top 25' Destination Management Company and to be recognized among the best in the industry."

Recently **ACCESS** was also honored as "2011 Event Company of the Year" during Event Solutions Spotlight Awards in Las Vegas.
