The new **ACCESS** Northern California, serving Monterey, San Francisco, Napa and Sonoma counties opens this week under the direction of Carvotta-Trexler and Elliott, who have owned and operated a DMC in Northern California, under another name, for more than 12 years.

Chris Lee, DMCP, Chief Executive Officer of **ACCESS** Destination Services said, "We are thrilled to announce the expansion of **ACCESS** into Northern California. This is a market that our clients have been urging us to service for years and now we have found the right partners in Mary and Rob."

Mary Carvotta-Trexler expressed, "It is an honor to join the **ACCESS** family. Of all the brands in the DMC industry, **ACCESS** stands for the highest level of customer service and integrity."

Carvotta-Trexler's background includes over 20 years of national event, meeting planning and destination management experience combined with nationally recognized expertise in design aesthetics.
