ACCESS DELIVERS “HALLOWEEN” TO SOUTHERN CALIFORNIA FIRE VICTIMS

Irvine, CA, November 2, 2007 – The **ACCESS** Orange County team, concerned for the children evacuated due to the recent fires in Southern California, helped to save Halloween for many of these children. Team members pitched in and produced dozens of “Halloween Goodie Bags” for the fire victims. Complete with costume, make-up, candy, coloring book and toys, the bags were delivered by the **ACCESS Destination Services** team to several area Red Cross Shelters where they were enthusiastically received.

In addition, donations made by **ACCESS** team members were matched by the company, resulting in a check for \$500 being delivered to the Red Cross. Because of the generosity and spirit of the **ACCESS** Orange County team, we were able to bring something positive into the otherwise tumultuous lives of local children displaced by the fires. “I can’t imagine how hard it is for young children to maintain a positive outlook and enjoy Halloween when they have lost their homes and their possessions. We were just happy to be able to help give these children back their smiles, even if just for a day,” commented Candace Bisconte, DMCP, **ACCESS Destination Services** President, who resides in Orange County.

Since 1970, **ACCESS** Destination Services has provided the highest caliber of full-service, professional destination management and event production services in the West, including Anaheim/Orange County, Las Vegas, Los Angeles, Palm Springs and San Diego.
